

insereAdjacencias

leFicheiroBinario

insereAdjacenciaVertice

```
graph LR; A[insereAdjacencias] --> C[insereAdjacenciaVertice]; B[leFicheiroBinario] --> C;
```

The diagram illustrates a functional dependency or call sequence. Two white rectangular boxes on the left, labeled 'insereAdjacencias' and 'leFicheiroBinario', have blue arrows pointing to a single gray rectangular box on the right labeled 'insereAdjacenciaVertice'. The gray box has a slight 3D effect with a darker bottom edge.
